

R2B09 ACTIVITY LOG N13B

* These are various graphs pertaining to the training of the neural network

Tables 1. Training **validation accuracy** of the neural network through **2400 epochs**, in three training sessions of 800 epochs each. **Blue** = Training dataset, **Orange** = Validation dataset

Tables 1. Training **losses** of the neural network through **2400 epochs**, in three training sessions of 800 epochs each. **Blue** = Training dataset, **Orange** = Validation dataset.
